GROVES

SIGNAL NIGHT

An immersive concert and walk-through memory archive.

KYD / Keenan Jones

Why I’m making it

A place to feel heard.

GROVES explores the memories we carry and the feelings we struggle to put into words.

Inside Signal Night

Explore

A memory archive with written fragments, objects, and recorded sounds.

Listen

Original live music surrounded by projected forests and atmospheric lighting.

Contribute

Leave an anonymous memory, or simply take in the experience.

Poor Baby

A song I wrote for a friend.

Performed live by KYD

What FEAST would help fund

Up to

$2,000

toward the public presentation

Projection, lighting, and audio

Printed memory cards and materials

Transportation and documentation

Built to travel

More rooms.
More stories.

A portable installation for future Oklahoma performances.
An archive that can grow with each audience.

Your FEAST vote can help bring GROVES to life.

GROVES: Signal Night
